I believe the money now proposed  
can be found in existing DDI budget. The  
ceiling is difficult but I doubt if it will be  
necessary to have the full  (b)es until after  
next July.

① I think we can find the money

② Fact that no provision has been  
made in budget for Personnel  
is bad but not impossible

③ ~~Spent~~ ~~badly~~ ~~were~~ we are  
than anything -
